

275/K4 900SA-1200SA

SEMI-AUTOMATIC BOLLARD WITH MANUALLY OPERATED HYDRAULIC UNIT

The 275/K4 900SA and 275/M30 1200SA semiautomatic bollards have been designed to ensure the anti-terrorist protection. Current models are the result of our 40 years' experience in the security field and in excess of 20 years in the specific design and manufacture of automatic bollards.

The installation of the 275/K4 bollard is recommended for use in any security sensitive site like company driveways, industrial driveways, research centres, embassies, police facilities, military bases.
